PoinTrade Pro Manual Guide (프로그램 곳곳에 Win-Station 이 눈에 띄네요. 모두 PoinTrade Pro 로 바꿔 주세요.)

1. How to Start PoinTrade Pro

- 1) Start PoinTrade Pro by clicking on the program icon and enter user ID and password in the register window then press Connect as shown below.
 - > Obtain User ID and Password by contacting Fine Tech Inc.
 - Select Remember Me if you want to save your log-in information.
 (프로그램에서 Remember me 를 위와 같이 정정)
 - > Off-line connection is supported.

- (1. 'POINTRADE' 아이콘은 보기에 좋습니다. 다만, POINTRADE 밑에 'PRO'를 붙여 주세요. 이 때는 위와 같이 PRO도 모두 대문자로 만들어 주세요. 하지만, 아이콘이 아닌 일반 워드에 제품명으로 사용할 때는 'PoinTrade Pro'로 일관성있게 통일해 주세요.P와 T는 대문자/PoinTrade 사이에 스페이스 없음/PoinTrade 와 Pro 사이에 스페이스 있음/Pro 는 P 만 대문자입니다. 아이콘 하단에 있는 PoinTradePRO Logon 을 'PoinTrade Pro Login...'으로 바꿔 주세요.)
- (2. 하단의 'Copyright 2005 BLASHnet.'를 'Copyright 2013 Fine Tech'으로 정정)
- (3. 오른쪽 아이콘은 BLASHnet 에서 아래에 있는 Fine Tech 로고로 바꿔 주세요. 제가 보기엔 이 경우 첫 번째 로고가 나은 것 같네요.)

2) Register: (Register 버튼을 누르면 아래창이 뜹니다. 한국어 버전으로 깨져서 나오네요. 영어 버전으로 바꿔 주세요. 이 register 창이 제대로 나올시에, 사용자의 편의를 위해서 Help 버튼을 (파란색 태두리있는곳에) 맨위에 넣어 주세요.-사장님 의견)

3) Choose a desired session from the PoinTrade Pro option window and press **OK**.

> Choosing the option below will open a window from the last session.

PoinTradePRO	×
Please Specify the workspaces You would like to Workspaces	
 Open new workspace Open all workspace from previous session 	
Do not display the message again OK Cancel	

(1. 박스 안에 'Please Specify the workspaces You would like to Worspaces'를 모두 지우고 'Please specify a desired workspace setting.'으로 정정

- 2. 'Open a new workspace. / Open all workspaces from the previous session.' 으로 정정
- 3. 'Do not display this message again.'으로 정정)

2. Main Menu: A new PoinTrade Pro window will open after login.

- Right click on the main screen to customize your workspace as shown below such as adding shortcut bar on the left column of window.
- > Undesired tool bars may be removed by clicking **X**.

1) File

<u>F</u> ile	<u>V</u> iew Insert(<u>A</u>) Format(<u>P</u>)
